

**Fracto, proizvodnja in trgovina d.o.o.**

**Ulica Jurij Vega 5, 5280 Idrija**

**+386 70 730 425; info@fracto-tehnika.com**

## **Electric Shepherd Fracto**

### **1. Technical characteristics**

- Input voltage: 230V
- Impulse Energy: 7.0J or 14J
- Output voltage: >5kV
- Max. Fence length: 250km or 450km
- Light show display: yes
- Protection against lightning: yes
- Water protection: IP24
- Connection cable length: 1m

**Fire protection and electrical connections outside the casing**

**The robust design with strong power output allows up to 250/450km of fence**
